ABOUT PENNTHORPE

Pennthorpe is a truly independent prep school located on a beautiful site of 26 acres in the heart of the Sussex countryside, close to the Surrey border. With around 260 pupils from 2 to 13, Pennthorpe has a real family feel.

Pennthorpe pupils are happy, confident and engage in all aspects of learning, whether that be in the classroom, on the playground, on the sports field or outside of life at Pennthorpe. We nurture a joy of learning and discovery and create an exciting environment for our children to learn and flourish.

The Pennthorpe Purpose forms the backbone of our daily life, and is common vocabulary for all in our community. Our motto 'Non nobis solum nati' translates as 'Born not for ourselves alone', and together with the culture captured by the Pennthorpe Purpose, expresses that our reason for being is not selfish, but for the goodness of humanity. We do not exist just to serve our own intentions, but have a duty to positively contribute to the lives, and benefit, of others. By giving the best of ourselves to the world, we make it a better place.

Pennthorpe staff must think like talent scouts, striving to get the best out of our children, and helping them to find their place in the world. We're fiercely ambitious for our children's futures, and our goal is to give voice to their magnificent character, celebrate their burgeoning talents and provide a tailored learning programme to support their emerging aspirations. Through our web of diverse and successful relationships with over 40 Senior Schools, and in strong partnership with our parents, we help our children secure places at the right Senior School for them.

The broad and skills based curriculum requires our children to be authentic, independent learners; to trust their instincts and to be bold. We teach our children how to learn, and then give them the tools and inspiration to challenge themselves. A Pennthorpe education offers our children quality time to experiment and investigate, space for our learners' own interests, learning which is focused on grappling, thinking and exploring, all delivered through collaboration and interactive teaching.

Our facilities are first rate. Within the grounds you will find our superb teaching facilities, carefully tended sports fields, numerous gardens and play areas, in addition to the fabulous woodland. We have two fully equipped wet Science labs, a full sized sports hall, Multi Use Games Area, dedicated Music and Drama studios, a generously equipped Design & Technology centre, an Art studio complete with kiln, a Teaching Kitchen, dedicated Library and a Computing Suite. In addition, we have a published plan of future development of our facilities over the next 5 years.
